### **Missouri Safe and Sober**

Did you know that alcohol is still the number one most used and abused drug by teens? Safe and Sober is here to help with outcomes-based educational material for your school.

Each year we offer a **FREE, comprehensive video-based** program to all Missouri middle AND high schools. *Last year alone we had 468 schools across the state sign up for it!* The video content we provide is created new every year and features real life Missouri teens and their families talking about real issues they are facing. This year both our middle/jr. high and high school videos offer students a realistic perspective of the science behind the harmful effects of underage drinking and drunk driving. All our content is now available online immediately following registration.

To take advantage of this **free** and incredible resource, take a few minutes to **register your school online today** at <https://www.missourisafeandsober.com/register/>.

Please feel free to forward this information to anyone at your school you think may be interested in helping bring this program to your school. This is a perfect resource for your STUCO advisor, SADD advisor, activities director, prom committee sponsor, FFLA sponsor, or even SRO to use!

If you have any questions please do not hesitate to reach out to our program coordinator, Whitney Mann, at [whitney@missourisafeandsober.com](mailto:whitney@missourisafeandsober.com) or by calling 417-631-4009.

Thank you and we appreciate the proactive steps you are taking to help Missouri teens make safe choices!

**Save the Date** - Make plans now to participate in the 9th Annual MARE Scholarship Golf Tournament to be held at Osage National Golf Course on Tuesday, July 30, 2019! More information will be provided next Spring!

**MARE Membership** – I often get asked what benefits does a district receive as part of MARE membership. I can assure you that the nominal membership dues pale in comparison to the benefits that members enjoy. Annual membership dues provide support for:

1. Free Legal Hotline Service – Representatives from EdCounsel, Guin Mundorf, Mickes O'Toole and Thomeczek and Brink provide answers to your questions on minor legal issues.
2. Collaborative Lobbying Efforts – MARE is a member of the School Administrators Coalition (SAC) that works collectively with many of the school organizations to lobby on behalf of Missouri public education.
3. National Advocacy – MARE is part of the National Rural Education Association and actively participates in advocacy in Washington on behalf of rural schools across the nation.
4. Superintendent Searches – MARE provides a very affordable and well structured search program for school districts in need of Superintendents and Building Administrators.
5. Annual Conference – MARE partners with MO K-8 to provide an annual fall Conference. Sessions planned focus on education matters important to rural and small schools.
6. Saves districts money with various Associate Member products and services including Lease Purchasing (L.J. Hart), Natural Gas Consortium (Pro-Energy Solutions), Cooperative Purchasing

(Education Plus), Software Programs (Education Technology Partners), Record Scanning/Storage (IMS), Website Support (SOCS) and others.

7. Coordinates two scholarship programs that focus on providing money for students interested in pursuing education degrees. This year alone the programs provided \$25,500 dollars to thirty-six(36) students majoring in education.
8. Executive Board is made up of ten (10) practicing rural School Superintendents, two (2) at-large school Board members, one (1) K-8 representative, and one (1) Higher Education Representative.

Please note that this is not an exhaustive list as we have many other MARE Associate Members who provide services for school districts.
