April 3, 2020

Dear Partners in Education:

The level of economic development of an area is directly related to the quality of education available. To improve economic development of rural Missouri, an adequate number of well-trained, dedicated teachers must be available to instruct in rural school districts. The efforts of MARE support this objective through the *Rural Missouri Scholarship Fund* which is designed to:

- Attract quality teachers to rural school districts.
- Improve the economic development of rural communities by upgrading the education system to provide a well-educated, skilled work force.
- Attract intelligent, energetic individuals to furnish leadership skills in rural communities.

On behalf of the schools that belong to MARE, we would like to extend to you an invitation to be a sponsor for the **10th Annual MARE Scholarship Golf Tournament**. We are hosting this event on **Monday, July 20, 2020**, at the Osage National Golf Course in Lake Ozark, Missouri. The day's event will begin with registration at 10:30 a.m. with a shotgun start at 12:00 p.m.

If you would like to support the scholarship fund for students in Missouri, please choose your level of support on the enclosed Sponsorship Information flier and make a check payable to the **MARE Scholarship Fund** and mail to:

Mr. Kevin Sandlin
MARE Executive Director
710 North College Street, Suite C
Warrensburg, Missouri 64093

If you would like to participate in the golf tournament, please see the enclosed [Registration Form](#) for additional information. If you will be entering a team, please send in your entry fee as soon as possible.

We welcome and appreciate your support for this worthy cause and hope that you will be able to join us.

Sincerely,

Kevin F. Sandlin
