2020 SCHOOL LAW SEMINARS, VIRTUAL STYLE

Dear Friends:

With so much uncertainty related to the re-opening of Missouri schools, Tueth Keeney has decided to change its format for this year's annual school law seminars. Rather than full day seminars around the State, we've decided to host a "seminar week." This will allow you to attend the sessions that are of most interest to you, your Board members and your administrators in the comfort of your office or home and throughout the week. We still ask you to register for the sessions you plan to attend so that we can send you a link for the webinar. And, of course, please share this invitation with others in your organization or your friends in the school community.

One thing remains certain. Tueth Keeney stands ready to serve you. We hope to see you soon!
